

THE PENNSYLVANIA REHABILITATION COUNCIL MEMBER HANDBOOK

Welcome to the Pennsylvania Rehabilitation Council. This handbook has been provided to help you understand the Council, its duties and responsibilities, and your role as a member. The Council is an independent citizens group, which reviews and advises the Office of Vocational Rehabilitation (OVR) on policy and services. OVR works with people with severe disabilities to help them prepare for, obtain or keep suitable competitive employment.

Authorized by the 1998 Amendments to the federal Rehabilitation Act, as amended by WIOA 2014. Council membership must include a wide array of representation; e.g., consumers, providers, advocates, parents and guardians, businesses, etc. A majority of members must be persons with disabilities. Nominations are reviewed by the membership and forwarded to the Governor, who makes all appointments.

Currently the Council meets four times each year, usually in the Harrisburg area. Meetings generally begin at 9:30 a.m. and end by 3:30 p.m. Reimbursement is available for meals and travel. Members may also be reimbursed for overnight accommodations and attendant care, when necessary. Council members can expect to spend approximately four to eight hours each month, excluding travel time, on Council business.

Staff support to the Pennsylvania Rehabilitation Council is provided through a contract from OVR to United Cerebral Palsy of Central PA, Camp Hill, PA. Any questions you have after reading the enclosed material may be directed to:

MISSION STATEMENT

The Mission of the Council is to inform and advise the Office of Vocational Rehabilitation, the State Board of Vocational Rehabilitation, the Legislature, and the Governor on the diverse issues affecting employment of people with disabilities.

Rehabilitation Council Standard of Expectations

Revised: March 2016

Active Participation:

In order to fulfill its federal requirements, the Rehabilitation Council must have active participation by its members. Active participation is defined as:

- Attend the four (4) scheduled full Council meetings in any fiscal year. Severe weather and personal emergencies are understandable exceptions.
- Participate on at least one standing committee or ad-hoc committee during the fiscal year.
- Respond to action items during or between Council meetings. Examples may include, but are not limited to:
 - Review of support documents for meeting action items.
 - Review and return of surveys, draft documents, etc. when requested.
- Attend Office of Vocational Rehabilitation public meetings, State Board meetings, Consumer Advisory Committee meetings, etc. when feasible.

Represent the Rehabilitation Council in Meetings and Work Groups:

Although members represent diverse constituencies and points of view, it is important for the Rehabilitation Council to speak as a single entity in meetings and work groups. The Council recognizes that individuals may also wish to convey additional opinions or information during discussions. In order to assure consistency without restricting member's actions, the following guidelines were adopted on April 14, 1999:

If a Rehabilitation Council member is serving on a rehabilitation related work group, committee or is giving testimony as a **designated and official spokesperson of Council**, the following guidelines will apply:

- The Council member shall state that s/he is representing the Rehabilitation Council.
- The Council member shall state the Council's official position on the subject being discussed if one exists or is known. If the Council's official position is unknown or has not been developed, the Council representative shall indicate that s/he will request the Council's office to forward the position or ask the Council to review the subject and render an official position if one is needed.
- The Council member may have a different, personal opinion on the subject being discussed. If this is so, the Council member should state that it is a personal opinion and not the official position of PA Rehabilitation Council.

- The Council member shall not commit financial support and/or other resources of the Council to any non-RC committee, workgroup, function, etc., without the previous authorization of the PA Rehabilitation Council.
- In order to receive reimbursement for expenses incurred while acting as a designated Council spokesperson, the member shall follow established procedures for obtaining reimbursement.

These objectives are meant solely to improve and expedite the accomplishments of the Rehabilitation Council, so as to better the lives of persons with disabilities. Your cooperation and time are appreciated.

Please Note: Individuals appointed to the Council by the Governor are considered Public Officials and are required to complete a Financial Interest Statement annually that is submitted to the State Ethics Commission and the Secretary of Administration.

EFFECTIVE MEMBERS = EFFECTIVE MEETINGS

Every Council member is responsible for good meetings

The key to a successful Full Council meeting is to keep things running smoothly so that the Council can make effective decisions. The primary responsibility for this task falls on the chairperson. Individual council members also have a number of duties to perform if meetings are to be as productive as possible.

Sound preparation is the most important thing a Council member can do to make meetings more effective. If each member does his or her homework ahead of time, meetings will be short and almost always productive. Review your packets or email prior to the meeting being called to order. Be prepared for discussions related to the material in the packet or email. Submit items for inclusion on the agenda in advance.

Attendance at meetings is also an important Council member responsibility. When the team is short one or more members, there is danger that all sides of the issues will not be explored and all interests will not be represented.

Full Council meetings are not informal discussion groups. The Council develops and follows an agenda for each meeting. The agenda includes a number of features: A description of each item to be discussed, an indication of whether the item is for discussion only or if it will require a vote, and an estimated time limit for discussion.

The Full Council Meeting

As a Council member, you need to acquire a basic understanding of parliamentary procedure. This will enable you to do your part in moving meetings along quickly and efficiently.

At the beginning of each meeting, the chairperson will ask the Council to formally approve the agenda. When the Council votes to approve an agenda, members are agreeing to discuss only those issues listed on the agenda in the time frames specified.

If you want to include some item on the agenda, you need to make your request well in advance of the meeting. Requesting that an issue be placed on the agenda at the last minute is not a wise practice. The rest of the Council simply will not be ready to discuss it in an informed manner. Bringing up important issues at the last minute doesn't enhance good decision-making.

The chairperson must make sure that all issues which need to be discussed are on the agenda and give members adequate time for debate. Members must work to keep the discussion moving to a decision--after all, that's the reason the issue is on the agenda.

Minutes of the meeting

At each meeting, you will be asked to approve the minutes of the previous meeting. This seemingly routine portion of the meeting should not be taken lightly. Minutes, when approved by a formal vote of the Council, are the official and legal record of what happened at the meeting. Every member has the right to ask the Council to correct errors in the minutes before voting to accept them.

Individual members, however, do not have the right to demand that an explanation of how they voted or their opinions on an issue be recorded in the minutes.

Reports to the Full Council

During the meeting, members will likely consider reports from committees and staff. These provide background information and important details to help the Council deal with specific issues on the meeting agenda.

Making Motions

The proper way for members to bring business before the Council at a meeting is by making a motion. This is a formal request or proposal for action made before an issue is discussed.

To make a motion, address the chairperson and state, "I move that..." and give the action you wish the Council to take. Most motions require that another member support the request for action by seconding the motion. To do this, the member simply says, "I second the motion." Once seconded and restated by the chairperson, the motion is discussed.

By requiring a motion on an issue, the board discusses only those items on the agenda and stays on track. During discussion, the chairperson can insist that members limit their comments to the motion on the table.

Motions usually come from two major sources--committee reports and administrator recommendation--but members may make motions at any time in accordance with your parliamentary guide.

Voting

Once the motion has been discussed thoroughly, the chairperson will call for members to vote on the motion.

Voting is mandatory unless there is a conflict of interest.

Once the vote is taken, the chairperson will declare that the motion passes or fails and move on to the next item on the agenda.

MEETING PARTICIPATION CHECKLIST

As a Council member, I will...

Attend all meetings and arrive on time.

Make an effort to prepare for meetings by reading the agenda and support materials.

Take part in all discussions on issues that come before the Council for action.

Keep my discussion focused on the issue at hand and limit my comments to a reasonable time.

Understand the basics of parliamentary procedure as well as state open-meeting laws.

Listen to the comments of other Council members.

Work towards team consensus on issues.

Focus on the ultimate mission of the Council rather than any special interest group.

Meal Reimbursement Policies

PLEASE NOTE: Meal per diem rates can change annually.

RECEIPTS REQUIRED

Explanation of meal reimbursement policies:

Currently for the Commonwealth of Pennsylvania, meal per diem rates for Harrisburg are \$14.00 for breakfast, \$16.00 for lunch, and \$26.00 for dinner per day. You are only eligible for the full daily per diem if you are on the road for 24 hours and no meals are provided.

You can only claim actual meal costs. **Receipts must accompany reimbursement requests** and reimbursement is limited to the particular meal per diem in question. For example, if your dinner cost \$35.00 your reimbursement would be limited to \$26.00. If your dinner only came to \$20.00, you would be reimbursed \$20.00.

You cannot skip a reimbursable meal and add the allowance to the next meal. For example, if you skip breakfast your lunch reimbursement will still only be \$16.00.

Please note: alcoholic beverages are not reimbursable.

If you charge your meal to a room that is being directly billed to the Council we will treat it as a receipt, since the hotel provides a copy of the full charges. Do not claim the meal on your worksheet. Also, if you exceed the per diem, the overage will be deducted from another area of your reimbursement claim.

Higher per diems may be available for high cost areas such as Washington D.C. Staff provides the information to members who are traveling into those areas. There are also additional guidelines for travelers who are on the road more than 24 hours. Staff will consult with members who may be eligible for the additional allowances.

The Commonwealth establishes all policies and per diems for travel. UCP is required by its contract to follow them. UCP does not have the authority to grant exceptions to the Commonwealth's policies.

We hope this explanation is helpful. Staff is always available to answer questions and provide assistance in completing the reimbursement forms.

Travel Expenses / Miscellaneous Expenses Reimbursement Policies

PLEASE NOTE: Mileage reimbursement rates and miscellaneous expense rates can change annually.

ONLY Pennsylvania Rehabilitation Council members may be reimbursed for their expenses.

The Support Project is required by its contract with OVR to follow Commonwealth Guidelines and Labor & Industry procedures for travel expense reimbursements.

Travel

Presently, the Commonwealth of Pennsylvania mileage reimbursement rate is \$.545 cents per mile. Airfare, Rail, Bus, and other public transportation are reimbursable to members at cost. Except for mileage, receipts must accompany reimbursement requests.

Overnight and Parking Accommodations

Members' overnight accommodations are directly billed to UCP Central PA. Additionally, when meetings are held outside of Harrisburg, staff has made arrangements with other hotel locations for direct billing. Parking expenses are included in overnight accommodations and therefore reimbursable. Participants of regular Council meetings can obtain parking from the hotel. Room Service charges are reimbursable within the subsistence guidelines. **Incidental charges, such as telephone charges, movie rental charges, etc., are the responsibility of individual members.** The hotel should bill you at checkout for incidentals, otherwise you will receive a bill in the mail. Overnight accommodations provided by another hotel are reimbursable within the previously stated guidelines, receipts must accompany reimbursement request.

Advances

Requests for advances should be rare and limited to times in which costs to attend a full council meeting would create a hardship to the member. Only mileage and tolls can be advanced and must be approved by the Executive Committee. Members should discuss advances with the Project Director. All requests for advances must be submitted to the office in writing and include the specific costs for mileage and tolls, that need to be covered by the advance.

Written Reports

A written report to the council is required for any conference that a member attends, that they are seeking reimbursement of their costs. If staff is in attendance at the conference, members are not required to give a written report. The written report should accompany the reimbursement forms. Handwritten notes are acceptable or members can request a report form from the office for this purpose.

Miscellaneous Expenses

Miscellaneous expenses such as attendant/driver/reader services and tolls are reimbursable at cost or as follows: attendant services are reimbursable at cost or at a maximum of \$10.35/hr. for 14 hours in a 24-hour period; and driver and reader services are reimbursable at cost or at a maximum of \$10.35/hr. Drivers and readers are reimbursed for actual reading and driving times only. If attendant/reader hours are to be reimbursed for actual meeting hours, the attendant/reader must be in the meeting room and available to assist the member. All receipts must accompany the signed Travel Expense Voucher and worksheet in order for the request to be processed for payment. This includes copies of signed timesheets for the attendant/driver/reader.

Important

Reimbursements must be completed and turned into the office within two weeks of the meeting/conference.

All reimbursements must be submitted to the office by September 1st for the prior fiscal year or they can not be processed.

Please contact the office with any questions.

Requests for Training / Conference / Meetings

Revised: February 2000

POLICY:

Training, Conference and member reimbursement funds designated in the Rehabilitation Council Resource Plan may only be used by Council members and must be directly related to written goals and objectives of the Full Council or a specific committee.

PURPOSE:

To assure a uniform application, approval and documentation process for the use of Rehabilitation Council funds to support member participation in conferences, training opportunities, meetings, and workgroups related to the Council's goals and objectives.

PROCEDURE:

To assure consistency of the request with Council Goals and Objectives, the member requesting support must secure the authorization of the appropriate Committee Chair or of the Executive Committee prior to submitting Request forms to the Support Project office. The committee chair must notify staff of the contact and his/her decision if the committee chairperson is the individual making the request, at least one Council officer must make the approval. **No person may grant approval to himself/herself.**

Representation of the Council in work groups, other committee or council, and meetings with legislators or government officials, requires designation by the Full Council or the appropriate Committee in an open meeting. If an opportunity presents itself between meetings, approval of the Committee Chair is required.

Simple notification of Support Project staff is not sufficient.

Requests for Council support of training or conference participation are to be submitted to the Support Project office far enough in advance to allow for the approval process. If Support staff will be sending registration fees in advance, a minimum of three weeks is needed. Extra lead-time will also be needed if staff will be asked to assist with arrangements.

TO ASSURE COMPLIANCE WITH VARIOUS AUDIT REQUIREMENTS, all requests for support of training or conference participation must be made in writing and must include:

A completed request form. The form includes room to estimate the costs of an attendant, driver, or other assistant when necessary.

A copy of the announcement brochure, showing registration costs.

Hotel information, if an overnight stay of one or more nights is needed.

Other supporting documentation, as applicable, that links the event to a council goal or objective.

Staff may approve requests that total \$250 or less. Requests over \$250 require approval of the Executive Committee.

The Council reserves the right to place a cap on requests or to ask that other organizations share costs as circumstances warrant.

NOTES: *Staff will complete the form as a reasonable accommodation for members unable to complete it independently. All other members are expected to complete the form themselves. Support staff will assure that all members are supplied with forms.*

As required in the OVR contract, all reimbursements will be governed by State guidelines for allowable expenses. The Travel Expense forms and receipts must accompany reimbursement requests.

Funds will be available on a "first come, first served" basis. The Executive Committee may make a modification to this practice in any year where certain committees or individuals make a disproportionate number of requests.

Members who represent the Rehabilitation Council at meetings, events, etc. are expected to provide a report to the Full Council or designated committee. This may be an oral report at a meeting or a short report (one or two paragraphs) submitted to the staff for distribution in the weekly update. If support staff also attended the event, they will assist with the report. The Council reserves the right to reconsider the requests of a member that habitually fails to meet this requirement.

Reimbursement requests and reports, when applicable, are due within 30 calendar days of the event. Requests that exceed the 30-day time frame will require approval of the Executive Committee prior to processing by staff.

Documentation of Conference or Meeting Participation

Revised: November 2015

PURPOSE: This procedure serves to:

- Facilitate timely distribution of information to Council members.
- Provide a uniform reporting structure.
- Provide documentation for Fiscal and Program audits.

PROCEDURE:

Council Member Responsibilities:

1. Members who represent the Council in a meeting, conference call, or conference *without support staff* will use the standardized form to submit a report to the Council. This task is the council member's responsibility and constitutes verification that he/she attended the event. The report must be submitted regardless of any other materials that will be forwarded to the project office by any other entity.
2. The report is due within 30 calendar days of the event. Reimbursement requests will not be processed until the report is submitted, except as directed by the Executive Committee.
3. Members may submit the report by mail, fax, email or telephone. If the report is phoned in, staff will use the form to record the information.
4. Members are expected to provide copies of agendas, rosters, minutes and handouts to the staff, unless arrangements have been made for the event facilitator to send duplicate materials directly to the office. The participant may send the originals for staff to copy and return or they may send copies.
5. Mailing and copying costs are reimbursable but the member must provide a receipt.

NOTE:

When both a Council member and staff participate in the event, they will collaborate on the content of the report and staff will produce the report.

Staff Responsibilities:

1. Assure that members have a supply of forms, as needed.
2. Receive, date stamp, copy, distribute and file reports from members.
3. Complete the Office Use Only section, as needed.
4. File enclosures and distribute as requested.
5. Bring matters related to compliance with, or recommendations for revision of, the policy to the Executive Committee.

Election / Voting Process As of July 11, 2002

Staff will pass out to the Council members a packet of different colored cards. Each of the packets of cards will be numbered 1 through 8 with each color. The color will designate which office the member will be voting on, example: Blue is the assigned color for the office of Vice Chairperson. Each candidate will be assigned a number within that color. So an example would be, John Doe has decided to run for Vice Chairperson; he is a blue card number 1.

The ballot will have the colors assigned to each of the open positions. A list of the candidates with their assigned number will follow.

The cards used for the voting process have been created so that all members are able to vote via secret ballot. The cards are numbered so to distinguish the office that the member is voting for and the numbers are assigned to designate the candidate. The cards are in Braille and large print so that all members are able to access the cards.

For the actual vote, the members will choose their candidate and designate their vote by submitting their card(s) to the voting box.

See By-Laws for additional information.

PaRC Recruitment Procedures

Revised: March 2016

1. PaRC staff will maintain a list of categories that are required under the Rehabilitation Act. Those categories will be posted on the PaRC website as the Chart of Representation.
2. In the event of a vacancy in any category, or in the event that a vacancy will be created by the upcoming expiration of a given member's term or a member's resignation, the category vacancy will be:
 - a. posted on the PaRC website
 - b. disseminated to the full council membership
 - c. disseminated to OVR and its bureaus and related stakeholder groups
 - d. disseminated to all OVR/BBVS district offices and HGA
 - e. disseminated to all Centers for Independent Living
 - f. disseminated to all Consumer Advisory Committees (CAC)s
 - g. Members will actively recruit to fill their own category

3. Applications for PaRC membership will be posted on the PaRC website, included in the PaRC annual report, made available to those agencies listed in point 2 above, and provided to any interested individual who contacts the PaRC office and requests an application.

4. Applications will be received by the PaRC office and held on file yearly to fill vacant categories as needed.

5. It is the responsibility of the PaRC staff to monitor the Council Membership for vacancies and upcoming vacancies that will be created by member term expiration or resignation. The PaRC staff will inform the Executive Committee of these vacancies as they occur.

6. The identification of a vacancy or upcoming vacancy (defined as any vacancy to occur within the next 6 months) shall activate the **ad hoc recruitment committee**. It is the responsibility of this ad hoc committee to meet and review all active application materials which fit a category where a vacancy or potential vacancy exists.

Applicants in the "pool" will be re-contacted by staff, to determine current interest, and to verify that the information on their original appointment form (i.e. resume, telephone contact, email address, etc.) is still correct. If applicant indicates they are no longer interested in being appointed, their name will be removed from the "pool". They would need to reapply for future consideration for appointment to the council.

The ad hoc committee has the discretion to determine that an application is not consistent with a particular category vacancy, and therefore should not be considered further as it relates to that vacancy.

7. The Ad hoc recruitment committee shall consist of the PaRC Executive Committee and two other council members who volunteer to serve in this capacity.

8. Upon receipt of an applicant's application form and resume, staff will send a follow up letter thanking the applicant for their interest in wanting to serve on the Council.

It is the staff's responsibility to gather all needed information from the interested applicant:

- a. Application Form
- b. Resume
- c. Reference letters (preferably 2)
- d. Applicant's Social Security Number (Governor's office requires this.)
- e. A detailed letter from the applicant explaining how they feel qualified to fill an existing opening on the Council.
- f. The 6 questions Questionnaire (usually filled out via telephone.)
- g. And any other information requested by the Ad-Hoc Recruitment Committee.

9. Upon completion and documentation of the telephone contact by staff, these results will be reviewed with the ad hoc recruitment committee.
10. Following review of these materials, it is the responsibility of the ad hoc recruitment committee to forward to the executive committee, the application materials of those applicants it recommends. The number of recommendations forwarded to the executive committee shall not exceed three (3) for any one vacancy. Recommendation will be based upon a simple majority vote of a quorum of the members of the ad hoc committee. The Executive committee will forward the recommendations to the Full Council.
11. Applicants who are forwarded to the Full Council for consideration will receive a letter which informs them of this decision, and invites them to attend a Full Council meeting. The letter will also inform the applicant that this invitation in no way guarantees that the individual will become a council member, and that applicants must pay their own expenses related to attending a PaRC meeting.
12. Those applicants forwarded to the full council membership for consideration will be voted on by the full council membership.
13. When there is more than one applicant being voted on, the applicant with the most votes from the Full Council membership will have their name and application materials forward to the designated state unit (OVR) along with a request that this individual's name be provided to the Governor's Office for appointment. In the event, there is only one applicant being considered for a vacancy, the individual must receive a majority vote by the Full Council membership in order for their name and application materials to be forwarded to OVR and subsequently the Governor's office.
14. Staff will notify the individual of this action in writing, also stating that the final appointment decision rests with the Governor's office and is not the responsibility of the PaRC.
